Dear Planning Board,

I am writing this email to object to the Nuway car wash being a planned behind my home at e8 Jennifer Drive, Plattsburgh, New York.  
I am especially concerned about the noise of a car wash and the a vacuums during the day as my husband works nights and sleeps during the day with having a car wash behind our home this would make it impossible.

With cars coming through all day long and the fumes and noise would make it unpleasant for my children and myself to use our

backyard and our pool with the fumes, noise and traffic. Please do not put a car wash behind my property.

Thank you,

Cathleen and Randy Whalen and Family
